Northwestern Ohio Rails to Trails Association

Wabash Cannonball Trail

Twenty-five years of ownership and development of the Wabash Cannonball Trail is a huge milestone, and needs a proper celebratory party. Our original plans of partying on the Trail in Colton this Saturday, March 30, have been altered slightly. The weather prediction of rain and cold is not going to cooperate with our outdoor celebration, therefore, we are moving the party indoors.

We will be gathering in the NORTA office building south of Delta at 10:00 am on Saturday, March 30, 2019. The physical address is 5775 St Hwy 109, Delta. This is at the intersection of Co. Rd. EF and Hwy 109. Come join us for some cake and refreshments and plenty of stories of our 25 year history.
